# PARTNERSHIPS

**Nova Ukraine** provides continuous support to **ProSvit**, an educational organization that promotes changes to how teaching, learning, and management is conducted in Ukrainian schools through the professional development of educators. **Nova Ukraine** helped develop **GoFundEd**, a crowd-funding platform for teachers that helps them implement innovations for improving the quality of learning at their schools.

**Alumni Fund Ukraine** is a platform for alumni to support their universities/schools in Ukraine. **AFU** is an NGO established by Ukrainian alumni in Switzerland with the aim of supporting the development of education in Ukraine. Its subsidiary organization in Ukraine is a charity fund **Alumni Fund Ukraine**. US based donors can take advantage of tax deductions and gift matching when supporting their alma mater. **Nova Ukraine** helped **AFU** with a fundraiser for operational expenses.

## UAIQ

**UAIQ** platform supports STEM initiatives. Projects through the **UAIQ.ORG** platform are financed by successful Ukrainians (graduates from technical universities), who live abroad (USA, Canada, UK, etc.), but consider it their duty to support educational STEM projects in Ukraine. **Nova Ukraine** helps to process donations for **UAIQ**. **Nova Ukraine** funded a hackathon and sponsored a team to participate in math competition.

**RememberUs** is a non-profit initiative for organizing educational and commemoration programs about the Holocaust in Ukraine. **Nova Ukraine** helped to sponsor the Forgotten Shtetls trip for the students from Ukraine and US.
