Technology Donation Receipt

Computers 2 Kids (C2K) and Nova Ukraine thank you for considering us when donating your technology. Your donated electronics will receive a second chance to help a Ukrainian family stay connected during their transition to the United States. C2K understands the importance of security, and we wipe each hard drive with software that conforms to *US Department of Justice cleaning and sanitizing standard DoD 5220.22-M*. This software ensures that all data has been erased. Please retain this form as the receipt of your donation.

Please include a copy of this receipt in your donation shipment

Is this your first time donating electronics to C2K? Please : Yes No

Is this a personal or corporate donation? Please : Personal Corporate
