FROM OUR BOARD

When Russia attacked Ukraine, every Ukrainian became a volunteer. Nova Ukraine stood up to mobilize Ukrainians and non-Ukrainians around the world to efficiently channel help to where it is most needed.

More than 180,000 people contributed donations totaling over \$55M for NU projects.

We built a strong network of partners in Ukraine (more than 3000 volunteers) with a spotless reputation and with deep connections in Ukrainian cities and villages, ready to deliver aid to civil population.

With the support of donors and partners we were able to help more than 3 million people in Ukraine

with basic needs like food and hygiene products, evacuation into safety or providing medical help.

We kept our operational overhead extremely low by building efficient processes and employing 100s of highly motivated volunteers. This way we were able to spend over 98% of donations on direct aid, keeping operational expenses under 2%.

With the start of 2023 we are unfortunately continuing to see the attacks on civilian buildings and infrastructure, tragically killing and injuring thousands and affecting millions. We will continue our efforts to save lives and provide humanitarian relief. But we also see Nova Ukraine's goals as supporting Ukraine on the path to rebuilding prosperous democratic Ukraine with a strong and flourishing civil society.

Warming Centers

Project #ГриємОгриємО

Nova Ukraine Partners with the **Howard G. Buffett Foundation** and **Ukrainian Railways (Ukrzaliznytsia)** on Warming Centers for Vulnerable Ukrainians During Winter Months

We proudly announce that 98 UZ-based warming centers are fully equipped to offer humanitarian relief to vulnerable Ukrainians this Winter. The joint efforts offer essential services to local and evacuating civilians in areas where critical infrastructure – water and electricity – have been disrupted by Russian military strikes.

In February we will run 107 warming centers including 6 stations out of UZ stations in Kryvyi Rih, Izum, Pokrovsk, Mykolaiv, Kharkiv and Kherson.

The Coca-Cola Company has provided 540,000 0.5-liter bottles of water.

The grant amount was \$2,349,147 from the Howard G. Buffett Foundation, with an additional donation of power generators of \$300,560, making a total project budget of around \$2,650,000.

Stations are operated by Nova Ukraine's volunteer staff. Given the numerous internally displaced people and the increasingly dire humanitarian situation in Ukraine, we expect these stations to service from 500 to 3,000 people daily for winter months as they relocate to safer areas of the country.

Nova Ukraine

Nova Ukraine is a nonprofit organization established in 2014 in response to the Russian occupation of Crimea and the initial invasion of Donbas. Dedicated to providing aid to Ukraine at this time of conflict and hardship, Nova Ukraine engages a highly motivated team of volunteers on the ground in Ukraine and in the United States.

The Howard G. Buffett Foundation

The Howard G. Buffett Foundation is a private family foundation working to catalyze transformational change to improve the standard of living and quality of life for the world's most impoverished and marginalized populations. Since Russia's invasion of Ukraine in February 2022, the Foundation has donated nearly USD \$150 million in humanitarian aid and food security assistance, and recently established a local NGO, The Ukraine Foundation, to oversee its work in-country.

The Coca-Cola Company

The Coca-Cola Company is a total beverage company with products sold in more than 200 countries and territories. Our company's purpose is to refresh the world and make a difference. Since the war in Ukraine began, The Coca-Cola Company, its global bottling partners and The Coca-Cola Foundation have committed to contributions totalling more than \$19 million to support its colleagues and humanitarian relief efforts.

Ukrzaliznytsya

Ukrainian Railways (Ukrainian: Укрзалізниця) is a state-owned joint-stock company of rail transport in Ukraine, a monopoly that controls the vast majority of the railroad transportation in the country. Ukrainian Railways is the world's 6th largest rail passenger transporter and world's 7th largest freight transporter. Ukraine's State Administration of Railroad Transportation is subordinated to the Ministry of Infrastructure. During the 2022 Russian invasion of Ukraine, the Ukrainian Railways continued operating to evacuate and rescue millions of people from cities towards Europe.

Emergency Housing

Nova Ukraine's Emergency Housing Team has worked tirelessly to find temporary and long-term accommodations for refugees.

What We Do

Nova Ukraine's Emergency Housing Team has provided resources for more than 885 Ukrainian refugee families in the U.S. In total, we supported about 1500 adults and 800 children.

Our help to Ukrainian families includes:

- placing refugees in free housing from verified American hosts
- providing free accommodation through Airbnb.org
- connecting refugees with local housing programs and rentals from refugee-friendly landlords

- assisting with transportation
- running a shelter in Orange County, California
- working with the Adopt-a-Family program to support refugees financially
- providing free computers for children
- connecting refugees with offices of refugee resettlement
- helping with job search
- participating in local festivals of Ukrainian communities
- resolving conflicts with host families

Thank you for providing a lifeline to refugees!

10 Months of Helping Animals

Nova Ukraine supports several animal welfare organizations who are caring for injured and needy animals across the country.

SKY'S STORY

A soldier found Sky shortly after the liberation of Ruski Tyshky. Sky had a large infected wound on his torso, and burns on his nose and ears – all likely the results of active warfare.

Sky was surrendered to Animal Rescue Kharkiv, a rescue group Nova Ukraine has been supporting since March. After being treated and making a full recovery, he was adopted by the soldier's friends. He lives in a loving home in Dnipro, where he awaits a reunion with his hero.

ZISSELS PSYCHOLOGICAL CAMPS

Women with children who suffered from the war, were in the occupation, or lost their husbands are the main guests of Zisels camp. Psychologists, art therapists and other specialists work with them here. After 3 weeks, program participants receive tools to independently cope with their conditions, help children and loved ones who need their attention. During this time, more than a thousand women with children passed the program.

Total cost- \$250 000

Дякуємо!

We thank you for your continued support of our crucial humanitarian work.

- Nova Ukraine was founded in 2014 and has always focused on supporting Ukraine. Since the invasion in February 2022, we have shifted all our efforts to humanitarian aid.
- Nova Ukraine is a registered 501(c)3 organization, tax ID 46-5335435. Donations may be tax deductible.
- Our operations include providing monetary grants to key partners on the ground in Ukraine, and delivering much needed medical supplies from abroad.
- We do not help to equip the active military, but rather concentrate on saving human lives.
- We were recently named among the Top 5 Ukrainian Charities in the world by Forbes Ukraine.
- We believe in full transparency and regularly post our spending updates on our website and social media.

Help us support Ukraine through the end of this brutal war.

As the war drags on, your support is more critical than ever. Analysts predict that Ukraine is in for a long battle, and so are we. Please consider making a sustaining gift for the people of Ukraine.
